

GABRIEL BORDENABE

FULL STACK DEVELOPER JR.

MY NAME is Gabriel and I am 27 years old. I am from Córdoba, Argentina. I am studying at National Technology University (UTN) and expect to graduate till the end of the next year. My field of studies is mainly focused on Full Stack Development with MERN. I started my React JS studies in 2020, since then I have developed many skills and got acquired technologies such as Mongo DB, Express JS, Node JS, Firebase, Sass, Etc. I am specialized in front end more than back end, but I will be specialized in both. I can describe myself as a positive, communicative, friendly person who is not afraid of new challenges.
